1. Policy Statement and Purpose

Hague Bar Primary School is committed to providing a welcoming and caring environment where every pupil feels safe and valued. Regular attendance and excellent punctuality are essential in ensuring pupils make sustained academic progress and social development.

The school works in partnership with pupils and their parents or carers to promote the importance of regular and punctual attendance. Regular and punctual attendance is vital in ensuring that all children have full access to the curriculum, as valuable learning time is lost when pupils are absent or late.

The purpose of this policy is to ensure excellent attendance for all, that maximises pupil potential. As a school, we recognise that regular attendance has a positive impact on the motivation and attainment of pupils. As such, this policy serves to give clear guidance to all stakeholders on their roles and responsibilities; provide advice and information on statutory duties of parents / carers and the school and demonstrate how the school will work in partnership with families, the local authority and other organisations to support the best possible attendance of all pupils.

Through this policy we will demonstrate our commitment to:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the right support to attend school

In our whole school approach to raising and maintaining excellent attendance, we aim to work with pupils and families to listen, understand, empathise and support families - whilst continuing to challenge poor attendance and maintain the highest of expectations of all of our pupils.

2. The Importance of School Attendance

Regular attendance at school is vital to support pupils to achieve and help them get the best possible start in life. Good attendance is central to pupils' academic achievement and personal development.

Research shows that going to school is directly linked to improved exam performance which should in turn lead to further learning opportunities and better job prospects.

As well as this, going to school helps to develop:

- friendships
- social skills
- team values

- life skills
- cultural awareness
- career pathways

We know that 90% of persistent non-attenders do not achieve expected levels of development at KS1 and KS2 and do not gain five or more good GCSEs.

Young people who regularly miss school without good reason are also more likely to become isolated from their friends, to underachieve in examinations and/or become involved in anti-social behaviour. In addition, Keeping Children Safe in Education, 2025 makes clear the fact that Children Missing Education are at significant risk of being victims of harm, exploitation or radicalisation, and becoming NEET (not in education, employment or training) later in life. For the most vulnerable pupils, research has shown associations between regular absence from school and crime (the proportion of children that had been cautioned or sentenced for any offence that had ever been persistently absent was 81% and for serious violence offence was 85%). Regular attendance is therefore one of the most important protective factors and the best opportunity for needs to be identified and support provided.

Attendance and Punctuality - Lost Learning Hours

Attendance	Impact	Hours Lost per year		Minutes Late Each Day	Impact per year
100%	0 Days Lost	0 Hours Lost		5 minutes	3.5 Days Lost
95%	9 Days Lost	45 Hours Lost		10 minutes	7 Days Lost
90%	19 Days Lost	95 Hours Lost		15 minutes	10.5 Days Lost
85%	28 Days Lost	140 Hours Lost		20 minutes	14 Days Lost
80%	38 Days Lost	190 Hours Lost		25 minutes	17.5 Days Lost
70%	46 Days Lost	230 Hours Lost		30 minutes	21 Days Lost

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office via an electronic system for tutor period and each school lesson.

4.10 Parents/carers

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day and where not possible, provide evidence of the appointment
- Keep to any attendance contracts that they make with the school and/or local authority

4.11 Pupils

Pupils are expected to:

- Attend school each day on time and attend every timetabled session on time

5. Recording attendance

5.1 Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and

once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Pupils should arrive in school by 8.45am on each school day, ready to be registered at the latest of 8.50am

The register for the first session will be taken at 8.45am and will be kept open until 9.15am
The register for the second session will be taken between 1.10pm and 1.20pm

5.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8:00am or as soon as practically possible by calling the school and choosing the 'reporting pupil absence option'.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 3 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If a pupil has had 3 days of absence due to illness, then the school will also ask for this medical evidence for subsequent periods of absence relating to illness.

The school may also conduct a home visit to discuss the impact of the absence and review what further support can be offered to parents/carers and the pupil to improve their attendance.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this in advance.

5.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment and provides relevant evidence, such as an appointment card or copy of a medical appointment letter.

Parents/carers should contact the school to inform them of any planned absences. This can be done using the school telephone number 01663762203 or by emailing info@haguebarprimary.org.uk A parent/carer will be asked to complete a form detailing the reason for planned absence.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. **Pupils who have appointments made for school time should attend school before and after the appointment.** This will enable them, in most cases, to still get their AM and/or PM registration marks. They must sign-out and sign back in at main reception.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 6 to find out which term-time absences the school can authorise.

5.4 Lateness and punctuality

We expect and support all pupils at Hague Bar to attend school on time, every day.

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- *Pupils who arrive after (insert time) should report to reception where they will be marked late (L). Pupils will receive a same day 20 minute after school detention where no valid reason (e.g. medical letter, parent/carer phone call) has been forwarded to their YM/Attendance Assistant to explain their late arrival.*
- *Pupils who arrive after (insert time) do not get an AM mark and are considered to have had an unauthorised absence, 'U'.*
- If there is a legitimate reason for lateness, e.g. doctor's appointment, parents/carers must notify the school **before 8.00 am** that their child will be late for this reason and on

arrival at school must show their appointment card/letter to the office. They will not be marked as late but will be given an authorised absence for medical reasons (M).

5.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact relevant agencies, such as Children's Services or *Derbyshire Children Missing From Education*
- Identify whether the absence is approved or not
- Potentially conduct a home visit to discuss the absence
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving educational support staff
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 6.2 below), as appropriate

5.6 Reporting to parents/carers

The school will regularly inform parents/carers (see definition of 'parent', as used in this policy in section 4.10 above) about their child's attendance and absence levels using a variety of communication methods, including the use of the Bromcom My Child at School platform, school reports and regular telephone communication for pupils whose attendance is below 97% and/or where there are concerns around attendance

6. Authorised and unauthorised absence

6.1 Approval for exceptional circumstances leave during term-time

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as one-off events which are unavoidable, examples may include the death of a close relative or attendance at a funeral.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

Availability of lower-cost holidays and overlap with the beginning and end of term will not be accepted as exceptional circumstances.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via

<https://www.haguebarprimary.org.uk/page/?title=Pupil+Absence+Request&pid=65>

The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness (including mental illness) and medical/dental appointments (see sections 5.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

7 Strategies for promoting attendance

The school will promote high and improving attendance through a range of methods, including:

- Contacting parents via telephone and/or via text message/My Child at School
- Rewards assemblies
- Celebration and recognition in tutor time
- Attendance displays
- Participation in end of term rewards events

8. Supporting pupils who are absent or returning to school

8.1 Pupils absent due to complex barriers to attendance

The school will work with parents/carers and pupils to identify strategies to mitigate the complex barriers that a pupil may have to attendance. This includes:

- Working with a multi-agency approach, engaging with local services to ensure there is a collaborative approach e.g. medical practitioners and social services
- Engaging our Family Support service to support the family
- Regular meetings with parents/carers to review attendance progress and ongoing support to ensure that pupils attendance continues to improve
- Pastoral support with the pupil's year manager
- Where appropriate, reasonable adjustments made within lessons to facilitate the mitigation of barriers

8.2 Pupils absent due to mental or physical ill health or SEND

- Where applicable the school may refer pupils to the Mental Health Support Team, school counsellors or external mental health support services.
- We also work closely with medical professionals to support and remove barriers to attendance, using a collaborative approach.
- The SENDCO may also co-ordinate further support. This may involve a SEND key worker or reasonable adjustments to support good attendance.
- Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

8.3 Pupils returning to school after a lengthy or unavoidable period of absence

Where a pupil has had a lengthy or unavoidable period of absence, there may be an attendance support plan that is implemented with the pupil. This will involve regular meetings with their year manager, as well as support from their form tutor and teachers.

We are aware that it can be challenging to return after a long period of absence, but it is imperative that the school, pupil and parents/carers work together to ensure that periods of lost learning do not have a significant impact on a pupil's overall progress. Therefore, catch-up work may be set and the pupil will be supported in ensuring that they reach their full potential.

9. Attendance monitoring

9.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely, as per the changes to 'Working together to improve school attendance, 2024'

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

9.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Bespoke support will be offered, including:
 - Working with multi-agencies
 - Attendance panels
 - Home visits
 - Regular contact with parents/carers
 - Support from a number of internal services
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

9.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families
- Provide regular attendance reports to form tutors and year managers to facilitate discussions with pupils and families, and to the governing board and school leaders

(including special educational needs co-ordinator, designated safeguarding lead and pupil premium lead)

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Hold Attendance Panels to review what further support can be offered to mitigate barriers to attendance
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Where relevant, hold TAC (Team Around the Child) meetings with internal services to look at how barriers to attendance can be mitigated
- Work with multi-agencies to look at how barriers to attendance can be mitigated
- Communicate to parents/carers, to inform them of the impact of low attendance and to offer further support
- Monitor groups of attendance to ensure that attendance improves, celebrating these improvements and implementing further support if necessary
- Implement sanctions, where necessary (see section 5.2, above)

10. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum each year by the Headteacher. At every review, the policy will be approved by the governing board.

This policy links to the following policies:
